

# VJOL Newsletter

No.3 January 2009

## New journals on VJOL

There are still 23 journals on the VJOL website. No new journals were added between July and December 2008. Management of VJOL will be transferred to Vietnam in April 2009 and will be based at NACESTI.

Don't forget to let us know if you have any recommendations for new journals to be added to the site.

## Visitors to VJOL

Google Analytics shows that from 1 July to 31 December 2008, there were 64,216 visitors to the VJOL website.

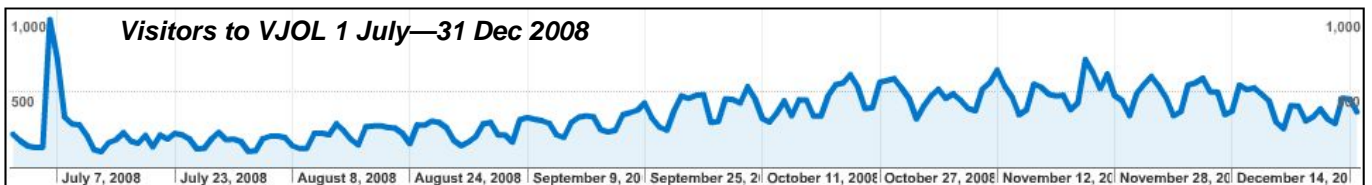

Visitors to VJOL came from 154 countries: the top three sources for visitors were: Vietnam (46,083 from 7 cities), USA (3,910 from 1337 cities) and India (1,690 from 80 cities).

The graph below shows that there was a significant increase in the number of visits to the site between October and December, probably due to the loading of a large number of back issues by:

*Nghiên cứu Tôn Giáo (Religious Studies)*

*Tạp chí Phát triển Khoa học và Công nghệ (Journal of Science and Technology Development)*

*Thông tin Khoa Học Xã Hội (Social Sciences Information Review)*

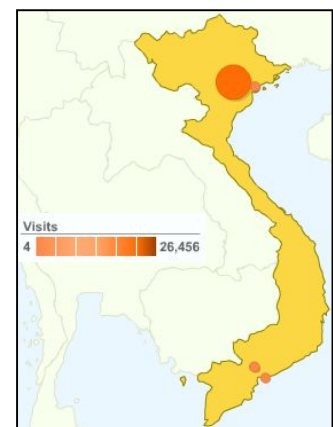

Global distribution of visitors to VJOL 1 July—31 Dec 2008

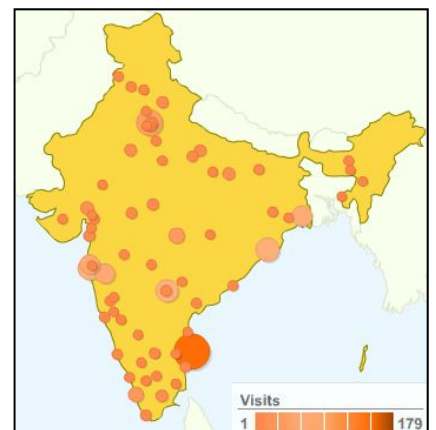

64,216 visitors from 154 countries/territories

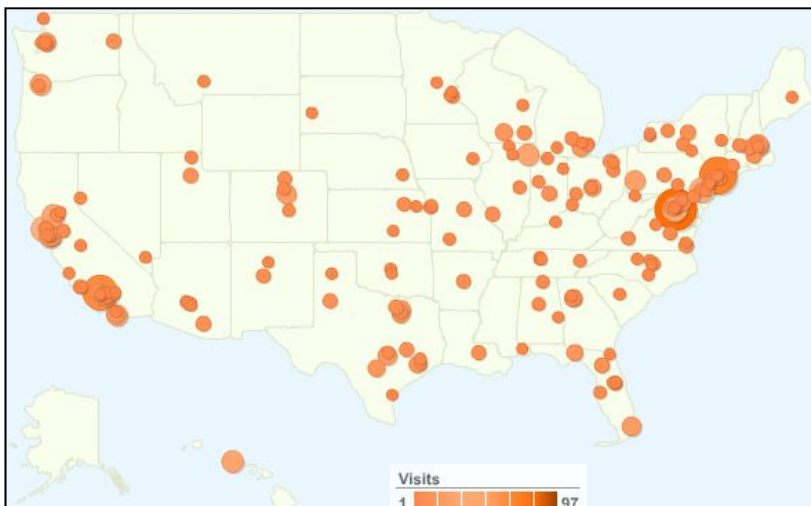

Location of visitors from Vietnam (46,038)

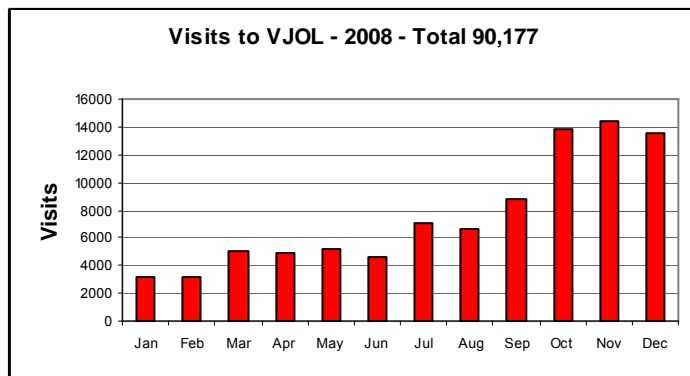

Location of visitors from India (1,690)

Location of visitors from the USA (3,910)
